

Elevating Opportunity: The Remitly Cares Scholarship Program and Our Commitment to Community

Posted on December 5, 2024 by Tatiana Wheeler-Brown

Since its founding in 2015, the Remitly Cares Scholarship Program has been at the heart of our efforts to support the communities we serve, providing much-needed financial support to Filipino students.

Supporting Students, Strengthening Communities. To date, the Remitly Cares Scholarship Program has awarded over 2,000 scholarships and provided around $900,000 in financial support to contribute to students pursuing higher education in the Philippines.

A Day to Remember: The Remitly Scholars Meet-Up. This September, we hosted an unforgettable meet-up in the Philippines, where Remitly scholars came together to share their stories, forge new friendships, and connect with Remitly employees. The room was filled with warmth, laughter, and inspiration as students spoke about their journeys and dreams, while employees shared their pride in being part of the program.

"The event was such a wonderful experience, and I never expected it to leave such a lasting impact on me. It wasn't just about the program—it was the genuine connections and warm interactions that made it unforgettable." — Kyla Grace dela Cruz, Remitly Scholars Recipient

"I love the Remitly Scholars program because it empowers underserved communities through education, creating opportunities for lasting positive change. Attending the scholars meet-up event in person at our Manila office was one of the most meaningful and inspiring days of my career as it highlighted the tangible impact of the program and reinforced the

importance of our mission.” — Mo Mansour, Head of Region, UAE – Business Management

The meet-up wasn’t just a gathering—it was a celebration of perseverance, hope, and the incredible power of community.

Putting the Customer First. At Remitly, we are committed to being customer-centric in all that we do, and the Remitly Cares Scholarship Program is a prime example. Through the program, our employees engage directly with the students benefiting from it, gaining invaluable insights into their experiences and needs. Our work is deeply informed by this feedback, driving continuous improvements that better serve our customers and their families.

Many of these students will go on to pursue careers that uplift their families and neighbourhoods, creating a ripple effect that strengthens the fabric of these communities. This aligns perfectly with our Global Impact Vision: *To increase financial security and resilience around the globe – elevating opportunities for millions of people to reach new heights.*

About Remitly

Remitly is a trusted provider of digital financial services that transcend borders.

With a global footprint spanning more than 170 countries, Remitly's digitally native, cross-border payments app delights customers with a fast, reliable, and transparent money movement experience. Building on its strong foundation, Remitly is expanding its suite of products to further its vision and transform lives around the world.
