

Introducing the Remitly Newsroom

Posted on October 31, 2023 by Ali Mollhoff

At Remitly, we are deeply inspired by our customers.

They are immigrants who move far away from home to build a better life for themselves, and to honor commitments they've made to ensure a bright future for their families across borders. They have a lasting impact on the countries they immigrate to, as much as on their families back home. Despite the significant challenges they face when moving abroad, our customers persevere and send money to support loved ones who depend on them.

We built Remitly for our customers – with a vision of delivering the most trusted financial services on the planet, so that they feel unparalleled peace of mind.

Over the past twelve years, we've worked tirelessly to deliver on this promise, continuously improving how we serve our customers, and re-earning their trust every step of the way. We continue to invest in solving new problems and delivering products that are designed to address their pain points and meet their unique needs.

Today, I'm excited to introduce the Remitly Newsroom. Here, you'll find customer stories, product and company news, updates on how we're engaging with immigrant communities, and hear directly from our leadership team on the progress

we’re making toward delivering the most trusted financial services on the planet.

Thank you to each and every customer who has trusted us so far. As we often say at Remitly, We’re Just Getting Started!

Matt Oppenheimer, Co-founder and CEO, Remitly
