

Remitly Named ‘Most Secure International Transfer App 2025’ by PAN Finance

Posted on April 7, 2025 by Tatiana Wheeler-Brown

We’re proud to share that **Remitly has been named the ‘Most Secure International Transfer App 2025’** by **PAN Finance**, a global authority recognising excellence, innovation, and impact across the financial, banking, and fintech industries.

The **PAN Finance Awards** celebrate organisations demonstrating exceptional performance, leadership, and a commitment to driving progress in their sectors. This recognition reflects our continued investment in technology, customer-centricity, and financial inclusion.

As we celebrate this milestone, we remain focused on transforming lives through trusted cross-border financial services. Take a look at the questions we answered for PAN Finance here.
