

Remitly Recognized Among CNBC’s World’s Top 250 FinTech Companies 2024

Posted on July 10, 2024 by Ali Mollhoff

We are proud to announce that Remitly has been named one of CNBC’s World’s Top 250 FinTech Companies for the second consecutive year. This honor reflects our entire team’s commitment to delivering inclusive financial services that have a positive impact on the lives of our customers and their loved ones around the globe.

CNBC and independent research firm Statista together conducted rigorous evaluation of over 2,000 eligible companies to select this list, which includes Payments, Alternate Finance, Financial Planning, Digital Assets, Neobanking, Wealth Technology, Business Process Solutions, and Banking Solutions companies.

We are grateful to our passionate employees and loyal customers for making this achievement possible. Their hard work and trust motivate us to continue pushing the boundaries of innovation and excellence to deliver the best possible experience to our customers.
